

Our Chaplains

Currently, more than
115 chaplains

provide compassionate pastoral care to Team Members and their families, no matter what their religious affiliation or beliefs might be.

Guided by the vision of our Chairman, John Tyson, our first group of chaplains began their service in
October 2000.

Our chaplain program is a ministry of availability. They are simply on hand at any time to listen to, encourage, and sometimes, if asked to, pray with some of our more than

**113,000
Team Members.**

More Information?

Their work and the company's commitment to be faith-friendly earned the company an award from the International Center for Spirit at Work.

Chaplains offer confidential counseling for Team Members dealing with grief and loss, anxiety, and family concerns; make hospital visits; and provide other Team Member support.

Over half of our chaplains are bilingual, and some have advanced degrees in counseling.

"Our Chaplaincy Program is a reflection of our Core Values. It's a reflection of us as a faith-friendly company striving to take care of each other – to help, support, nurture, and encourage."

John Tyson
