

# 2017 Sustainability Fact Sheet

“Only by a comprehensive, holistic approach to sustainability can we make long-lasting positive change, for our company, our consumers and customers, our Team Members and our planet.”

– Justin Whitmore, Chief Sustainability Officer, Tyson Foods.

## Animal Well-Being

### FarmCheck®

- FarmCheck® program involves on-farm, third party animal well-being audits to make sure the animals we depend on are treated properly

- We understand the importance of the internationally recognized **Five Freedoms**, & we urge all farmers to strive toward those freedoms as goals

- 1 Freedom from hunger & thirst
- 2 Freedom from discomfort
- 3 Freedom from pain, injury or disease
- 4 Freedom to express normal behavior
- 5 Freedom from fear & distress

## Environment

- We eliminated nearly **500,000 pounds** of plastic from flexible films and bags
- Since February 2014, we have saved enough energy to power **5,610 homes**
- Since February 2014, we have saved **1.16 billion bottles of water**
- Our goal is to **reduce the amount of water** used to produce each pound of product by **12%**, by the end of 2020

- In Fiscal 2016 we saved **more than 52 million** over-the-road truck miles

## Giving Back

- Donated **\$12.5 million** in 2016 in cash & in-kind donations toward our commitment to give **\$50 million** in five years to hunger relief efforts
- Donated **8.2 million pounds of food** in Fiscal 2016
